This flyer shows the trends of the MA DOC Admissions population over the past 10 years. The line graph above shows the changes in admissions, in 2018 the admissions were down by 29% from 2009. Furthermore they are down by 30% from 2014, the highest admission year in the last 10 years. Over the past decade, we have decreased the number of pre-trial detainees the DOC holds. Pre-Trial went from 41% of our population down to 33%.
